

JAI GURU SRI RAM MANUFACTURING PVT. LTD.®

Happy To Announce

Our Satisfied Customers in PAN India Now..

Director's Message

In the current process of widespread globalization, we in JGSRMPL understand that meeting our customer's requirement is essential to the success of our organization. We can say that the years we experienced in the past are significant years and it is clearly seen that we have intensively delivered our best performance to focus on customer satisfaction. On behalf of the Board of Directors, I would like to thank our valuable customers and reliable dealers. Besides, I would like to make a special mention of our staffs' enthusiastic contribution in establishing our organization. The one thing I would like to present is that our leadership is a result of our employees. They have clearly made one of the outstanding organizations. We know our highly trained engineers apply their specialized knowledge to reliably and efficiently produce high quality products. We are now in an ever-changing market environment. In such situation, we firmly believe that "trust" is the key element in persuading customers to choose our quality products. We totally accept that "trust" can create a "Win-Win Situation" for a long and deeper relationship. So in conclusion, I would like to thank again all those who have contributed

Mukesh Kumar Singh Director

Our Vision

relentless hard work and effort of the past to bring up here today and will continue to grow for years to come.

To be a number one manufacturer of Institutional furniture in India. With a focus on innovation and excellence in product quality, Jai Guru Sri Ram Manufacturing Pvt. Ltd. aspire towards integrity in business quality, in products and affordability in pricing.

Our Mission

"To design, manufacture, and sell products that set new standards for aesthetics, reliability, and pricing to meet the needs of the diverse Indian market. We strive to surpass customer expectations with products that offer complete value for money." To make quality products at reasonable prices.

Company Overview

Our company provides proper Planning, Designing Manufacturing & Installation of projects for Setting up Institutional furniture. As a company, we are constantly focusing and working on Even small things to offer the best products in affordable price to the customers/markets with emphasis On building the qualified and experienced team of people in our R&D department.
